Spanish Club

Boy or girl?

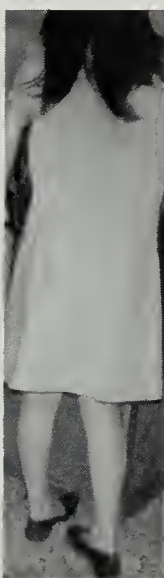

Now where did I put that book?

I always hurry to English class.

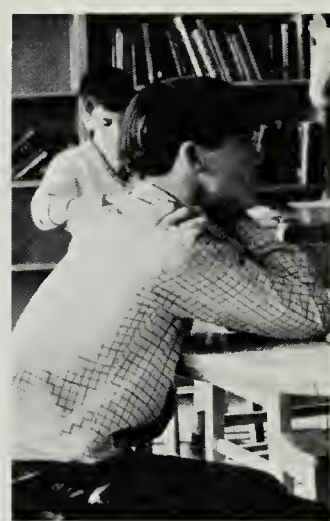

Math fascinates me!

Me--pigeon toed?

And now a selection from my latest album.

I love me.

Mr. Russell on roller skates!

I love the waltz!

Teachers laughing??

Fighting or dancing?

Look Ma--no hands!

Looking for something?

And if elected, I promise . . .

Where's the fire extinguisher?

You put WHAT in the biscuits???

Stop the music!

One more wrong answer and I'll cry.

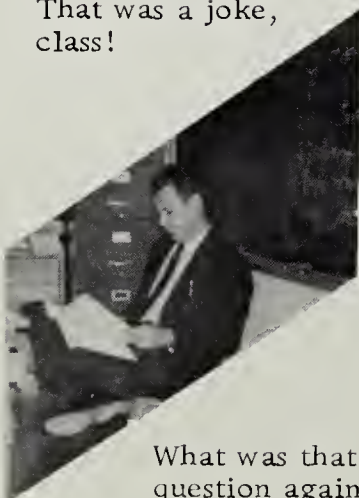

You did what?

That was a joke, class!

85 M.P.H. on the turn!!

What was that question again?

Lunch is so relaxing!

Mr. Costolo in Beatle Boots!

Hope a teacher
doesn't read this
one!

Aunt Jemima, what took
you so long?

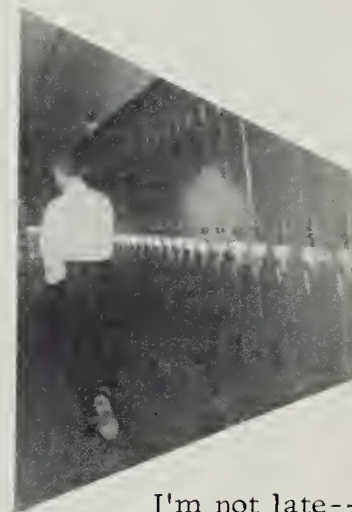

Where is Wanda
the Witch?

Hi . . . Mr. Costolo!

If only I could read.
